

We've prepared some helpful tips and tricks to make your LSE Networking Night that much more fun and enjoyable. Here is information on transport options and ideas on where you can grab a bit to eat before or after the event.

## The Venue

**Impact Hub at CIC Boston.** Our event will be hosted on the 18<sup>th</sup> floor of 50 Milk Street in Boston's financial district. Impact Hub opened its doors and started to build what is now ten floors of event venues, industry specialized communities, and dynamic work spaces. Right off the subway and ten minutes from the airport, CIC Boston serves as a centralized hub for entrepreneurs within the Back Bay, Beacon Hill, Chinatown, or North End neighborhoods.
